

## Client Testimonial HealthPlan Services, Inc.

- ◆ "John Henley of Decision Analytics has the clear advantage over other "pure IT" consultants in that he understands business processes. He offers the rare combination of a strong technology background and the ability to provide business solutions that actually function as intended."
- ◆ "John doesn't simply install software—rather, he uses the software to implement and mold processes that make the entire organization run more smoothly."

-- David Price, Manager of Strategic Systems, HealthPlan Services, Inc.

HealthPlan Services (HPS) was founded over 30 years ago, and offers a variety of indemnity medical plans to individuals and small groups in most states.

HPS offers billing, claims, customer service and general administrative functions to ensure that its customers get the most from their HPS plan.

HPS customers can enjoy paperless transactions, Internet-based services, and prompt, accurate payment of claims.
